ROC KING

Once again, grade nine students at KCSS began their high school experience with the adventure of a lifetime at Roc King Camp! Mentors and teachers offered a warm welcome, as well as a variety of activities for students to enjoy, such as canoeing, kayaking, a polar bear dip, scavenger hunt, air bands, and the last night dance! These niners put the social networking and digital technology aside, and had an unforgettable time the traditional way.

COMMENCEMENT 2011 To the Future!

On June 28th, 2011, we watched with pride as our oldest lions moved on to a new stage in their lives.

Be sure to check Google in future years for these up and coming superstars!

Remembrance Day

*"We honour those who have given their lives
serving Canada and helping people of other nations"*

One of the band students gave an amazing performance playing the last post on the trumpet.

On November, 11th, 2011, King City staff and students came together to recollect the many hard wartime experiences. This year's Remembrance Day assembly consisted of dramatic performances, speeches, and pieces of artwork presented by students. Also attending this year's assembly were a number of honoured guests making it quite memorable.

The drama students fantastically performed a play about the war.

Grade 9 art students created beautiful pieces of art for the Remembrance Day Assembly.

Students at King City Secondary School sure are stylish! Mocassins, biker boots, and uggs are the most common footwear for girls, whereas boys stick to basketball shoes or runners. Leather jackets and pea coats are seen more and more, as well as stylish scarves in the hair or around the neck. Despite the common trends, every student at KCSS has unique fashion taste. These outfits are definitely blog-worthy!

King City's Semi Formal,

A Night in Morocco

Students of King City Secondary had a wild time at this year's Semi-Formal, hosted at Le Jardin on November, 24th, 2011. Students enjoyed a 3-course meal, and then danced the night away! Thanks to everyone who came out, and a special thanks to Student Council who made it all happen.

Congratulations Graduates

Dear Graduates of King City Secondary School 2012,

What an amazing four years it has been! We have all had so many fun times and memories that will last a lifetime. Looking back on our first day of grade nine, we have all changed so much. We were anxious and intimidated and by the bigger school, sticking only to our close friends, and trying not to get lost in the big crowd. Just look at us now; we have come so far. We have all grown up together, and faced challenges that have shaped us into the amazing graduating class we are today. We have been lucky to have a fabulous school, filled with caring teachers and a positive school atmosphere. Everyone's had the ability to get involved in one way or another. With the variety of extra-curricular activities offered at King City, we truly have had something for everyone. During every opportunity we've had, we have shown what it really means to have King City spirit and to be a lion. We've come this far graduates, the world is now at our fingertips. Good luck to each and every one of you in your future endeavors. Don't forget to always show your lion spirit.

Best of luck,

Emily Cabral

The background of the entire page is a large, stylized soccer ball. In the foreground, a group of eleven young men and one adult man are posed for a team photo. They are wearing various casual clothing like hoodies and sweatshirts. Some of the hoodies have 'KING LIONS' or 'KING LICKS' printed on them.
